

Aquasana's Water-4-Life Program

Healthy Drinking Water "FOR LIFE" Only 10¢ a gallon!

The Water-4-Life program is a very unique and important feature of Aquasana Water Systems. Like any filter, whether it be the filter in your central heating and air conditioning system or the oil filter in your car, water filter cartridges must be replaced at the appropriate time in order to get the desired results.

The problem most of us have is remembering when these cartridges are supposed to be replaced, unless we have some kind of reminder. The Water-4-Life program is designed to not only remind you when to replace the filter cartridges, but also to reward you for using this convenient program.

Here's how it works...

When you sign up on the Water-4-Life program you will automatically receive fresh, new replacement filter cartridges every six months, delivered directly to your door, with easy to follow replacement instructions.

Instead of you having to keep track of when six months has passed, and paying the regular price of \$56.25 (countertop cartridge set), or \$48.75 (shower filter cartridge), plus a \$4.95 shipping charge, you pay only \$7.50 a month for the countertop filter set (\$45.00 total) and \$6.50 a month for the Shower Filter Cartridge (\$39.00 total) **and get FREE shipping!**

Or you can choose to pre-pay every 6 months and still get all the benefits. When you choose the semi-annual pre-pay option, you simply pre-pay your first cartridge set and are then invoiced every 6 months thereafter.

You save money and eliminate the inconvenience of re-ordering and remembering, we do it for you!

With the monthly billing plan, charges are billed monthly, or with the semi-annual pre-pay plan you simply receive an invoice with each replacement cartridge shipment (see Water-4-Life Enrollment Form).

As an added incentive, the Water-4-Life program also offers FREE product upgrades to keep your Aquasana filter system in new condition. You will receive standard upgrade parts such as new o-rings, washers and any updated parts with each new filter cartridge shipment. You'll also receive an order form for accessories and options that can be ordered for FREE: new covers, decorative options, etc.

"Water 4 Life" Benefits: You get convenience, cost savings, free upgrades and the best customer support any company could offer. Our Water 4 Life members are the core of our business, we do everything possible to keep them happy!

But the best part of the Water-4-Life program is that you'll be assured of a constant supply of pure healthy water for you and your family... "4 - Life!"

Sign up today and enjoy the benefits of Healthy Water... Economy and convenience. Just fill out the Water-4-Life enrollment form within 30 days of your purchase... and we'll do the rest.

The Water 4 Life enrollment form is included with each product or can be found in the "Support Info" section of this site.
